

Формы написания буквы «Ро»

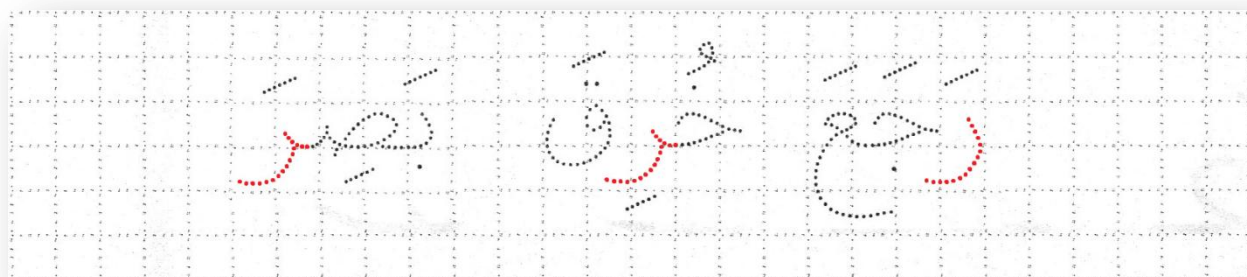

Handwriting practice grid for the letter 'Ro' (رو) in Arabic script. The grid consists of four rows of dotted lines on a grid background. To the right of each row is a diagram showing the stroke order and direction for writing the letter 'Ro'.

Row 1: Dotted 'Ro' characters for tracing. Diagram shows a single stroke starting from the top right, curving down and to the left, then curving back up and to the right.

Row 2: Dotted 'Ro' characters for tracing. Diagram shows a single stroke starting from the top right, curving down and to the left, then curving back up and to the right.

Row 3: Dotted 'Ro' characters for tracing. Diagram shows a single stroke starting from the top right, curving down and to the left, then curving back up and to the right.

Row 4: Dotted 'Ro' characters for tracing. Diagram shows a single stroke starting from the top right, curving down and to the left, then curving back up and to the right.

Формы написания буквы «Вав»

Handwriting practice sheet for the letter «Вав» (Vav) in Arabic script. The sheet features a large grid of dotted lines for tracing. On the right side, there are three boxes showing the correct stroke order for writing the letter in different positions: connected to the previous letter, at the end of a word, and as a standalone letter. Each box includes a numbered arrow indicating the direction of the stroke.
